This directive supersedes IMS Directive I-63 on the upgrade to IMS version 2.1.

As of December 4, 1998 IMS version 2.2, its installation instructions and associated change notice are available from SAIC. Please install version 2.2 on your system and be prepared to discuss any problems during the IMS conference call on Thursday, December 10, 1998.

Any technical questions associated with the upgrade should be directed to Rick Cale, 423-481-2198.

Please call me at (703) 285-2730 if you have questions about this transmittal.
